Week Three – Day 4 Floors

GOOD MORNING!

Are you raring to go? In 20 minutes, you are going to be a huge step closer to creating an oasis in your home. Get ready, peace and tranquility, here we come!

DO AHEAD

Do ahead – get vacuum cleaner or broom ready and pail/mop if you don't have carpet – carpet or steam cleaner if you do.

IF YOU DON'T WANT TO DEEP CLEAN CARPETS – You can make your own carpet freshener using essential oils and baking soda.

Put some baking soda into a plastic container with a lid. Be sure that it isn't one that you will be using for food because you can keep it and use it again to refresh your carpets quickly anytime you like.

Just sprinkle in a few drops of the essential oil of your choice – citrus fruits are always nice and fresh. You can even play with the scent and blend a few different ones, it's fun. You can adjust to your mood!

Shake the container to disperse the essential oils into the baking soda.

Sprinkle lightly and as evenly as possible to get the complete carpet. Leave on for about 15 minutes. Close off the room, especially if you have kids or pets who will be crawling on the carpet. Vacuum.

Depending on what you have for carpet, you may want to do a test spot first.

Checklist and Instructions

...below you will find excerpts from the Spring Cleaning Tips ebook to give you some quick ideas. Check the book for more in depth reading.

If you have carpeting in your bathroom, vacuum well and steam clean, if needed. For hard floors, remove any area rugs and clean them, then sweep or vacuum up any loose dirt.

Mop or clean the floor with a product that is safe for that particular type of floor covering. Pay close attention to corners and edges, where germs, mold, and mildew might develop.

Bathroom - Floors

- ___ Pick up any clutter/debris that has accumulated
- ___ Don't forget behind the toilet, towel rack, bathtub, etc!
- ___ Beat & air out (or wash) any bathmats/rugs
- ___ Mop/Steam Clean Floor

Today's Assignment

Floors

It's easy. Get any big stuff off the floor – garbage in the garbage etc.

Vaccuum, then mop, clean or refresh. It may be good to split your time to be sure that you have enough left the cleaning or washing part.

Remember, we are looking for progress, not perfection.

Looking forward to seeing you tomorrow, let's take another step up!

It's Your Day To Shine!
